Subd with draft ~~Ltr~~
~~directed~~

It is submitted that the Senior Surgeon does not seem to recommend the appt of Mr J. V. Armugam Mudr as Acting Surgeon in charge of the Victoria Hospital. His appln seems to be a special one for the grant of special allowances to two Medl Officers viz

1. To Mr Armugam Mudaliar, for all his duties as Officer in charge during Col: Smyth's absence } Rs 200/- per mensem
2. To Mr C. A. Nanjappa for all his duties as Resident Medl Officer during the same period } Rs 100/- a month

According to Senior Surgeon's recommendation Mr V. Armugam Mudr does not get the allowance of Rs 100/- sanctioned to him. in addition to the Rs 200 mentioned above.

17/3/02 The draft put up enclosed, I believe, the views

of the 3rd councillor who
refers to an allowance
Calculated on Lt Col.
Smyth's pay. The
Commissioner's proposal
seems to amount to placing
the Armyan in charge
of the Hospital & this proposal ^ an allowance of Rs 200 being
if approved must be gazetted ^ granted for this

If an acting allowance is to
be granted, then the acting
arrangement seems to
require to be gazetted.

17/3/02

To the 3rd Councillor 1873

It seems only
reasonable that
the Armenian Merchant
should be given
Rs 200 per mensem
& Rs 200 per mensem

Subd with 2 drafts. The insertion of the words "as a special case" in the draft seems to cover up all objections. HH

The arrangement as proposed by the Senior Surgeon and embodied in the 2 drafts subd herewith does not seem to be contrary to Codal Rules. If Mr. D. V. Arnugam Mudr is appointed to act for Lt-Col J. Smyth, he would get his present pay namely Rs: 500 + 1/5th of Rs 1350, the pay of the acting appt, or in all Rs: 770, and Mr. C. A. Nanjappa as acting Resident Medl Officer would get his pay namely Rs: 250 + 1/5th of 400, or in all Rs: 330. As now proposed, Mr. D. V. Arnugam Mudr will get Rs 700 and Mr. C. A. Nanjappa Rs 350, and this is not in excess of the acting emoluments in the case of Mr.

Please point out if the allowance is claimable under the rules

Rai 12/31

The allowance proposed to be given to Dr. Ramaswamy seems to be a special allowance and not an acting allowance while the allowance to Dr. Ramayya is the one already fixed for the Resident Surgeon. Submitted for orders

Rai 12/3

Let the order sanctioning the allowance be passed

12/3

The allowance according to the order (herewith submitted) is granted personally to Mr. Armugam, and is not stated as being for the Resident Surgeon. Both the allowances now recommended seem to be special ones.

An Asstt Surgeon coming from outside like Mr. Narajappa will be put to considerable additional expense & will have little or no private practice here. He deserves the allce of 600 Rs sanctioned. As it is a special allowance & not an acting one, there is no necessity of disallowing it for the first 30 days. If this exception is made in Mr. Armugam's case, he will get 400 Rs instead of 300 Rs which he would be entitled to if his present allowance is not interfered with.

GOVERNMENT OF MYSORE

The work of being in charge of the Victoria Hospital is one which a Civil Surgeon may be expected to undertake in the usual course of his duties. In this view, no acting allowance would be admissible. But if it is granted on the Pay drawn by Col Smyth, 230 Rs would be the sum.

As the Govt has been Considering the charge much more important than what usually falls to a Civil Surgeon, ~~the~~ the best Course seems to be to grant the Spl Cial allowance of

200 Rs recommended
for all the three months.
